This local law is enacted pursuant to Section 10 of the New York State Municipal Home Rule Law and in accordance with the Town's Comprehensive Plan adopted pursuant to New York State Town Law Section 272-a. {TWN 16, MHR 10, 20}

Section 2 – Purpose.

Structures near the edges of public highways and adjoining property lines pose a hazard to the health, safety and general welfare of town residents as well as passersby such as by creating highway safety hazards, making highway and right of way maintenance more difficult, reducing open spaces, and adversely affecting the enjoyment and value of properties within the town.

It is the purpose of this local law to provide for the health, safety, and general welfare of persons and property in the Town of New Lisbon, by codifying in this local law the town's setback requirements.

Section 3 - Title.

This local law shall be known as "A Local Law Codifying the Town's Setback Requirements."

Section 4 – Definitions.

(1) "**Structure**" means something that is constructed, on or off site, and is placed, permanently or movably, on property within the town. For the avoidance of doubt, such Buildings are subject to section 5.1 of this local law.

Section 6 - Waivers.

Where the Town, on petition of a Landowner or Lessee, finds that extraordinary and unnecessary hardships may result from strict compliance with this local law, it may vary the application of this local law so that substantial justice may be done and the public interest secured, provided that such waivers will not have the effect of nullifying the intent and purpose of the town’s comprehensive plan or of this or other local land use laws. In granting waivers, the Town shall require such conditions as will, in its judgment, balance the intent and purpose of this local law against relief from the extraordinary and unnecessary hardships.

Section 7 - Complaints.

Any person may file a complaint with the Town Clerk or directly with the Land Use Enforcement Officer that a violation of Section 5 this Local Law has taken place. The LEO shall record and investigate any such complaint. The LEO may also investigate any such alleged violation that he or she otherwise has reason to believe may have occurred.
